

Ready to Join the Herd? IN-KIND DONATION FORM

In-Kind Donation

In-kind donations are goods, services, and discounts received by Philly Goat Project from vendors and/or donors that replace or off-set a necessary expense. Please complete and sign this form; include the mailing address where an official receipt can be sent. Even if you do not want a receipt, we still need this form for our accounting purposes. A signed receipt is your substantiation of donated in-kind goods for potential charitable deduction. Thank you for your support of Philly Goat Project.
